

Federal State Budget Scientific Institution
“North Caucasian Federal Scientific Center of
Horticulture, Viticulture, Wine-making”

INTERNATIONAL SCIENTIFIC CONFERENCE
“DIRECTED TRANSFORMATION OF ALIMENTARY RAW
MATERIALS IN THE PRODUCTION OF FOODSTUFFS, FOOD AND
BIOLOGICALLY ACTIVE ADDITIVES, ENSURING QUALITY CONTROL
AND SAFETY”

THE SECOND INFORMATION MESSAGE

Dear colleagues!

We invite you to participate in the work of the international scientific conference “Directed transformation of alimentary raw materials in the production of foodstuffs, food and biologically active additives, ensuring quality control and safety”. The conference will be held online from 14 to 16 of April 2022 on the territory of The North Caucasian Federal Scientific Centre of Horticulture, Viticulture, Wine-making, Russia, Krasnodar, 40-letiya Pobedy str., 39.

The issues under consideration of the conference:

- Biotechnological and physicochemical methods of transformation of alimentary raw materials in food production;
- Development of technologies for the production of food and biologically active additives;
- Development of methods for quality control, safety and identification of alimentary raw materials, foodstuffs, food and biologically active additives;
- Biotechnological and physicochemical methods used in the storage of alimentary raw materials and foodstuffs.

The format of the conference events is online.

The conference materials are proposed to be published in the proceedings of Web of Conferences (France), indexed in the scientometric databases CPCI (Web of Science), CNKI and Google Scholar. We invite you to send conference materials for inclusion in the proceedings by February 20, 2022. Articles must be originally submitted in Russian and have at least 75 % originality.

The cost of publication in the proceedings of Web of Conferences is 10,000 Russian rubles, if the article is formatted according to the requirements of the proceedings. If translation into English is required, this service is paid separately in the amount of 500 Russian rubles per 1 page of text (including figures, tables, bibliography).

Payment for publication and translation into English is made only after invoicing (notification of acceptance of the article).

Requirements for article formatting are posted on the website at the link:

<https://www.kubansad.ru/media/uploads/files/forum/2022/%D0%A2%D1%80%D0%B5%D0%B1%D0%BE%D0%B2%D0%B0%D0%BD%D0%B8%D1%8F%20%D0%BA%20%D0%BE%D1%84%D0%BE%D1%80%D0%BC%D0%BB%D0%B5%D0%BD%D0%B8%D1%8E%20%D1%81%D1%82%D0%B0%D1%82%D0%B5%D0%B9%20BIO%20Web%20Conf%202022.pdf>

Please send conference materials (articles) to the e-mail address kubansad@kubannet.ru with subject "Forum". The file name must begin with the surname of the first author and "Publication in the Proceedings of Web of Conferences". The working languages of the conference are Russian and English. The beginning of the electronic registration of the conference participants will be announced additionally.

The editorial board reserves the right to edit texts, as well as reject articles that do not correspond to the topic of the conference or the formatting.
